

The Owensboro Catholic Consolidated School System, Inc., known as Owensboro Catholic Schools (OCS), is in partnership with the fifteen parishes which created the system in the Owensboro-Daviess County area.

The OCS Mission Statement

Owensboro Catholic Schools share in the mission of the Church in cooperation with families to provide a religious and academic education which prepares students to become responsible members of family, Church, and community.

The OCS Philosophy

The philosophy of the Owensboro Catholic Schools is one centered on the total development of the Christian child: spiritual, moral, intellectual, social, cultural, emotional, and physical. It is our belief that the function of the educator is to nurture this development of students as persons of the community, supporting and building on the faith life of the child which is begun in the home. We believe in the importance of a stable environment in which each member of the school family will be comforted and challenged by the Gospel message.

The philosophy of the Owensboro Catholic Schools will be implemented in the following manner:

1. Students' spiritual and moral development will be nurtured.
 - Educators will design and teach formal religion classes, prepare, direct, and evaluate student participation in liturgical and para-liturgical prayer, and their Christian service projects.
2. Students' intellectual, social, and cultural growth will be promoted.
 - Educators will prepare and teach the basic academic curriculum, will provide co-curricular experiences, and will encourage extra-curricular activities.
3. Students' physical and emotional growth will be fostered.
 - Educators will organize and direct activities which aid in the development of physical and mental health.
