

## OWENSBORO CATHOLIC MIDDLE SCHOOL TRANSPORTATION DIRECTIONS

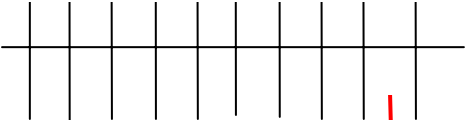

1. Buses will drop off and pick up on the loop next to the band room on the north side of the school building. The loop is the asphalt drive beside the office, behind the school, and the church building. Buses will enter the loop on the church side and exit on the school/north side.
2. Cars for arrival and dismissal of school will enter the loop on the church side of the property and exit on the north/school side. In the morning students should be dropped off and enter the building at the north entrance next to the band room. Cars must stay in a single file for student safety. For dismissal, students that don't ride the bus will exit the building out of the annex behind the school. Cars **MUST** park in existing parking spaces behind the church and/or school and wait until buses have left the property before exiting in a single file on the north/school side of the loop. Please remember that even on school property cars must **NEVER** pass a bus with a stop arm out.
3. Students picked up **AFTER** 3:15 p.m. will wait in front of the school.
4. Upon arrival, students are to go directly to the gym (8<sup>th</sup> graders) or the cafeteria (7<sup>th</sup> graders) to wait for the 8:10 a.m. dismissal to homerooms.
5. Bike riders are to enter the loop next to the church. Bikes should be parked in the area between the annex and main school building. In the afternoon students should **walk** their bikes around the loop to Christie Place after the buses and cars have exited the loop.
