Blessings in the New Year!

I hope all in the school community had a blessed Christmas and a happy new year. OCS wishes you good health and many blessings in 2017!

"For I know the plans I have for you. Plans to prosper you not harm you. Plans to give you a hope and future."
Jeremiah 29:11

Your feedback will impact OCS!

Over the past several months, the leadership of the school has sought input and feedback from the stakeholders of the school regarding the effectiveness of our overall school program. A parent perception survey, education council meetings, ACES committee meetings, principal meetings, parents meetings, and consultations with diocesan representatives provided valuable input and feedback to help guide decision making and strategic planning.

Based on the feedback and input from our stakeholders, we have identified general strengths, general growth areas, and action steps for each of the ACES Pillars: *Academics, Catholicity and Discipleship, Extracurricular Activities and Athletics, and Stewardship*. Please review the OCS School Community Feedback Action Plan below.
