

Owensboro Catholic K-3 Campus Traffic Flow for Afternoon Car Dismissal

Our Lady
of Lourdes
Church

Parents should enter the parking lot from Placid Place and park in the first available space in the main K-3 parking lot. When it is time for car rider dismissal, a staff member will direct you to pull into the car loading zone in an orderly manner. All traffic must exit onto Steele Drive. Cars will pull forward as a spot is vacated in the first row to continually generate available space in the back of the lot.

Park in front of the gym or along Steele Dr. if you need to buckle your child.

- * DO NOT exit your vehicle during the dismissal process.
- * Parents may not park elsewhere and walk up to get their child.
ALL parents must utilize the car pick up line!
- * Avoid parking in the church parking lot unless directed by a school staff member.
