

OCMS School Supply List 2021-2022

- Please consider investing in durable binders. **NO TRAPPER KEEPERS PLEASE.**
- It is vital for students to have a pencil bag with general supplies **every day.**
- Teacher specific supplies may be purchased once a student receives their schedule.
- In order to follow the Reopening Plan for the Diocese, sharing of materials among students will continue to be minimized. We are asking parents to purchase basic art supplies. These will need to be in a large pencil box/bag to be left in the art room. Be sure to write the student's name on the box/bag.
- **Chromebooks:**
 - OCMS will have Chromebooks available for all students without a fee for the 2021-22 school year.
 - All students are required to purchase a satchel style carrying case for their Chromebook. The case should have a handle and/or shoulder strap. No backpacks will be allowed.
 - Students are allowed to bring their own Chromebook if they choose.
