Dear Sophomore Parent,

One of the factors in providing your sons and daughters a quality education is to prepare them to succeed in standardized testing. For this reason, we plan once again to administer the Pre-ACT test to our sophomores.

Pre-ACT provides students with a realistic ACT test experience and the opportunity to gain insights into their college and career readiness. Pre-ACT, administered in grade 10, gives students practice with the ACT test and empowers them, their parents, and educators with these valuable insights even sooner. Pre-ACT also gives students an estimated ACT test score and can be used as an indicator of college and career readiness. Reports include data to help teachers and counselors target interventions, inform classroom instruction, and guide students in course selection.

Once score reports have been received, we will conduct an interpretive session for students. The interpretive session will focus on the Pre-ACT Student Report and discuss the meaning and uses of results. Topics covered in the interpretive session include: how results predict ACT scores and academic counseling on courses needed at OCHS to prepare for college and the ACT/SAT tests.

Pre-ACT will be administered to sophomores Tuesday, February 19th. The cost of the test is \$13.00 per student. Students may sign up and pay their test fee in the main office. Deadline to register is Friday, February 8th. **To register, return this form with payment to the main office no later than Friday February 8th. It will be assumed that students who do NOT return a form by February 8th have chosen not to take the Pre-ACT, and will not have a seat in the testing room.**

If you have any questions, please call or email me at OCHS.

Yours in Christ,

Kurt Osborne
Assistant Principal
