

Required Documents before 6th Grade Entry & at Age 16

Along with the State-required forms submitted when your student began Kindergarten, there are additional requirements to complete before they enter 6th grade & again at age 16.

Note: Your Healthcare Provider's office should have a copy of the required form in their office.

Requirements before 6th Grade Entry (11-12 y.o.)

Due BEFORE the 1st day of 6th Grade & may be obtained anytime 5th Grade year

1. Current Immunization Certificate- In addition to all State-mandated vaccines that were required at Kindergarten entry, students are required to receive 2 vaccines on a KDE approved form:

- Meningococcal (meningitis)
- Tdap (Tetanus, Diphtheria, & Pertussis)

2. Kentucky School Health Physical Exam on KDE approved form (different than a KHSAA Sports Physical)

Requirements for Students at Age 16

Due within 2 weeks of 16th Birthday

1. Current Immunization Certificate- In addition to all State-mandated vaccines that were required at Kindergarten & 6th Gr entry, students are required to receive 1 vaccine on or within 2 weeks after their 16th birthday on a KDE approved form:

- Meningococcal (meningitis)

Health Forms may be submitted directly to your student's Magnus account, submitted to your student's school or OCS Central Office, emailed to sherry.krampe@owensborocatholic.org or faxed to 270-852-8009.
