

Dear Parents,

As always, New Beginnings will be assisting us with our mandatory safe environment training for all of the students here at OCHS. This year we have been invited, along with Brescia University, and some of the other area schools, to view the film **Audrie & Daisy**. It tells the story of two teenage girls who attend a party and become victims of sexual assault. It not only emphasizes the dangers of parties and underage drinking, but also that of the use of social media as both attacks were documented and later shared.

If you **DO NOT WISH** to have your child participate in this program, please fill out the bottom of this letter and return it to the school's main office no later than Tuesday, November 22, 2016. Otherwise no further action is necessary.

---

I do not wish to have my child participate in the film **Audrie & Daisy** for students at Owensboro Catholic High School, November 28 and 29.
