House Education Committee Chairman Bam Carney and Senator Ralph Alvarado have filed House Bill 134 and Senate Bill 36. These bills create a Scholarship Tax Credit Program in Kentucky which would increase tuition assistance for students who attend non-public elementary and high schools, including Catholic schools. This legislation provides students with the opportunity to obtain the education that best suits their needs.

A committee hearing and vote on Scholarship Tax Credits is set for Thursday, January 11th. State lawmakers need to hear from you.
